Dear Chair and Members,

Re: Parking Amendments – Notley Place and Ferris Road (south intersection).

BACKGROUND:

Residents have indicated that there have been issues between drivers and pedestrians in identifying right of way at this intersection and have requested an all way stop control in order to rectify this problem.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize an all-way compulsory stop control at the intersection of Notley Place and Ferris Road (south intersection).

Respectfully,

Brad Bradford

Toronto City Councillor
