Dear Chair and Members,

Re: Traffic Calming – Wrenson Road, between Beaton Avenue and Bellhaven Road

BACKGROUND:

Residents have reached out to my office with concerns about speeding along their street, and requested that traffic calming measures (speed bumps) be installed as a method of addressing these concerns. My office polled the homes and there was strong support from the residents for making this change.

I am requesting that speed humps be installed on Wrenson Road, between Beaton Ave and Bellhaven Road.

RECOMMENDATION:

It is recommended that Toronto and East York Community Council:

1. Waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Wrenson Road, between Beaton Avenue and Bellhaven Road.
2. Direct the City Solicitor to prepare a by-law to alter the roadway to install four speed humps on Wrenson Road, between Beaton Avenue and Bellhaven Road, generally as shown on the attached Drawing No. TC-103, dated November 2022, from the Director, Traffic Management, Transportation Services.

Respectfully,

Brad Bradford
