Toronto and East York Community Council

Re: Speed Bumps –Tom Longboat Lane

Dear Colleagues,

I am writing to respectfully request the implementation of speed bumps on Tom Longboat Lane.

In 2021 The Longboat Area Resident's Association (LARA) reached out to former Councillor Joe Cressy's office over speeding concerns, and requested Transportation Services to review the need for speed bumps in Tom Longboat Lane. The study findings indicated that the operational characteristics satisfy the criteria set out in the guidelines adopted by City Council. In addition, former Councillor Joe Cressy received a petition from a majority of residents in favour of having speed bumps installed in Tom Longboat Lane.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize the installation of speed bumps in Tom Longboat Lane (east-west branch), between Tom Longboat Lane (westerly north-south branch) and Tom Longboat Lane (easterly north-south branch), as shown on Drawing No. TC-116, dated December 2022, from the Director, Traffic Management, Transportation Services.

Ausma Malik
City Councillor
Ward 10 – Spadina Fort-York
