Councillor Gord Perks
Chair, Toronto and East York Community Council
100 Queen St. W

Compulsory Stop Control – Northridge Avenue and Judith Drive

Dear Chair and Members of Toronto and East York Community Council,

Northridge Avenue and Judith Drive are two local roads located in a residential neighbourhood immediately south of O'Connor Drive. This intersection currently has a yield control in place. I have heard from residents who are concerned about traffic safety and have requested that the existing yield sign be changed to a stop sign.

The installation of a stop sign at this intersection will improve traffic safety on Northridge Avenue and Judith Drive. I hope you will support this recommendation.

Recommendation:

1. Rescind the existing yield control on Judith Drive at the intersection with Northridge Avenue.
2. Authorize a compulsory stop control for westbound traffic on Judith Drive at Northridge Avenue.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
