Dear Chair and Council Members,

RE: All-Way Stop Control – Eastern Avenue and Rolling Mills Road

I am writing to respectfully request the implementation of an all-way stop control at the intersection of Eastern Avenue and Rolling Mills Road. Residents have concerns about pedestrian safety on the roadways.

Transportation Services has reviewed the need for an all-way stop control at the subject intersection. Based on staff's investigation, the installation of the all-way stop control is technically warranted and will enhance operational safety at this intersection.

RECOMMENDATIONS:

It is recommended that:

- Toronto and East York Community Council authorize an all-way compulsory stop control at the intersection of Eastern Avenue and Rolling Mills Road.

Respectfully submitted,

Chris Moise
City Councillor
Ward 13 - Toronto Centre
