

ATTACHMENT 1 - Recommended Candidate and Biography for nominee to the Moss Park Arena Board

Sawyer Buchanan

I have spent the majority of my life in and around the Moss Park Arena. From skater, to volunteer, to coach. I have competed as a skater at the national and international level which shows the dedication I bring to this board position. I am now seeking the opportunity to give back to that sport that has given me so much, by serving on the Moss Park Arena board. My athletic and professional experience combined with my age bring a unique and valuable perspective to the board and to the arena.
