

Conversion of Wiltshire Avenue between Davenport Road and Connolly Street from the "Street Specific" to the "Area Based" Permit Parking Program within permit area "3D"

Date: February 6, 2023
To: Toronto and East York Community Council
From: Director Permits and Enforcement, Transportation Services
Wards: Ward 9, Davenport

SUMMARY

This staff report is about a matter that Community Council has delegated authority from City Council to make a final decision.

Transportation Services is recommending that Wiltshire Avenue, between Davenport Road and Connolly Street be converted from the street specific program to an area based program, for permit parking, within permit parking area "3D".

Transportation Services recommends approval of this proposal because it will allow greater parking flexibility for the residents on this segment specifically, and all residents within the area generally.

RECOMMENDATIONS

The Director, Permits and Enforcement, Transportation Services, recommends that:

1. Toronto and East York Community Council approve the amendment to Schedule 'B' of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to convert Wiltshire Avenue, between Davenport Road and Connolly Street, from a "Street Specific" licence to an "Area Based" licence within permit parking area "3D".

FINANCIAL IMPACT

The cost of converting the block and adding the "Area" annotation to the existing signs is covered within the Transportation Services Interim 2023 Operating Budget.

DECISION HISTORY

A request was received from the Ward Councillor, on behalf of area residents, to convert Wiltshire Avenue, between Davenport Road and Connolly Street from "Street Specific" to "Area Based" Permit Parking. The request was seeking to allow permit holders the ability to park on neighbouring streets, and afford all residents in the permit area greater parking flexibility.

COMMENTS

Wiltshire Avenue, between Davenport Road and Connolly Street, is a local street operating two-way on a road width of 8.5 metres, with a posted speed of 40 km/h. There is no TTC service on Wiltshire Avenue. A sidewalk is located on the west side only.

The parking regulations on Wiltshire Avenue within the subject section are as follows:

- Street Specific permit parking on the even (west) side between the hours of 12:01 a.m. to 11:00 a.m., 7 days a week.
- No parking, anytime, east side, Davenport Road to Rutland Street.

Including this segment of Wiltshire Avenue within the "3D" permit area would provide parking flexibility for the residents living on the block and raise the flexibility for permit holders within the permit area. The change will not reduce the number of parking spaces available.

Transportation Services has no objections to the conversion of Wiltshire Avenue between Davenport Road and Connolly Street from the "Street Specific" to "Area Based" Permit Parking Program within permit area "3D".
