

方卓怡 市議員 **Paula Fletcher**

City Councillor | Ward 14 Toronto-Danforth

April 6, 2023

Councillor Gord Perks
Chair, Toronto and East York Community Council

Request for Presentation on Toronto's Nighttime Economy as it pertains to the responsibilities of Community Council

Dear Chair and Members of Toronto and East York Community Council,

On February 23, 2023, TEYCC received a presentation on the Night Economy, which is a shared Divisional initiative among Economic Development and Culture, Municipal Licensing and Standards, and City Planning. The presentation resulted in two motions being moved at Committee that request a report back at the April 12 Toronto East York Community Council meeting:

1. Request the General Manager, Economic Development and Culture to request Vivelab to present their consultation plan on the Night Economy for the Toronto and East York district at the April 12, 2023 meeting of the Toronto and East York Community Council.
2. Request the General Manager, Economic Development and Culture to engage in thorough and robust consultation with resident, neighbourhood and community association in the Toronto and East York Community Council boundaries, on the Night Economy Plan and provide a update on progress at the April 12, 2023 meeting of the Toronto and East York Community Council.

Accordingly, I am hoping for your support for this recommendation, which will allow for Economic Development staff to provide an update to TEYCC. Staff have confirmed they are ready to present to the April 12th meeting.

Recommendation:

1. Toronto and East York Community Council consider the attached report and hear a presentation led by the Economic Development and Culture at the April 12, 2023, including any relevant staff from VibeLab and partner Divisions, on the Night Economy consultation plan, including the consultation with resident, neighbourhood and community associations, and provide an update on progress as it pertains to the duties of Community Council.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
