Dear Chair and Members,

Re: Parking Amendments to Support CaféTO on College Street between Dovercourt Road to Ossington Avenue

The purpose of this letter is to amend parking regulations on the north side of College Street, between Dovercourt Road to Ossington Avenue and on the east side of Dovercourt Road just north of College Street to support CaféTO. As the TTC operates a route on College Street, City Council approval is required.

The proposed amendments shift a day care pick-up/drop-off area for the local YMCA on the north side of College Street to the east side of Dovercourt Road. This is to allow for the permitting of curb lane cafés under the CaféTO program on College Street while continuing to allow for a pick-up/drop-off area.

The local BIA and the West End YMCA have been consulted on these changes.
