485 Logan Permit Parking Exclusion

Dear Chair and Members of the Toronto and East York Community Council,

The development at 485 Logan Ave is expected to be occupied later in 2023. It contains 41 units and has 31 below-grade parking spaces provided onsite. As is standard in Toronto and East York I am requesting that staff report back on excluding this development from Permit Parking Area 8B.

I look forward to your support.

Recommendation:

1. Toronto and East York Community Council direct Transportation Services to report to the June 22nd, 2023 meeting of Community Council on excluding the development at 485 Logan from permit parking area 8B.

Sincerely,

Paula Fletcher
City Councillor
