Councillor Gord Perks,
Chair, Toronto & East York Community Council
City of Toronto
100 Queen St. W

No Stopping, West Side of Logan Avenue south of Eastern Avenue

Dear Chair and Members of the Toronto and East York Community Council,

I have been contacted by a local businesses, a recording studio, who have been having persistent issues with their loading area being blocked. Their loading area is a legal boulevard parking spot that is often blocked by illegal parking. Transportation Services has provided language to change the regulations on this short stretch to “No-Stopping” which would ensure that this access is maintained.

I look forward to your support for these recommendations.

RECOMMENDATION:

1. Toronto and East York Community Council prohibit stopping at all times on the west side of Logan Avenue, between Eastern Avenue and a point 30 metres south.

Sincerely,

Paula Fletcher
