

## **Temporary Adjustments to Traffic and Parking Regulations for 2023 Canadian National Exhibition (Non-Delegated)**

**Date:** June 6, 2023

**To:** Toronto and East York Community Council

**From:** Director, Traffic Management, Transportation Services

**Wards:** Ward 4, Parkdale-High Park; Ward 10, Spadina-Fort York

### **SUMMARY**

---

The purpose of this report is to seek City Council's authority to enact temporary traffic and parking amendments required to enhance traffic operations and pedestrian safety during the annual Canadian National Exhibition (CNE), which takes place from August 18 to September 4, 2023, inclusive. As this staff report concerns roadways with regular Toronto Transit Commission (TTC) service, City Council approval is required.

A companion report, "Temporary Adjustments to Parking Regulations for 2023 Canadian National Exhibition (Delegated)", dated June 6, 2023, outlines the required delegated temporary parking amendments for locations without TTC service.

### **RECOMMENDATIONS**

---

The Director, Traffic Management, Transportation Services, recommends that:

1. City Council authorize the temporary traffic and parking regulations on streets in the vicinity of Exhibition Place that are impacted during the Canadian National Exhibition, identified in Attachment 1 attached to the report "Temporary Adjustments to Traffic and Parking Regulations for 2023 Canadian National Exhibition (Non-Delegated)", dated June 6, 2023 from the Director, Transportation Services, Toronto and East York District. The temporary parking regulations will override all existing regulations for the duration of this event (August 18, 2023 to September 4, 2023).

## **FINANCIAL IMPACT**

---

Funds in the amount of \$4,000.00 are available within the Transportation Services Division's 2023 Capital Budget.

Parking meter/machine revenue, estimated to be approximately \$28,000.00, will be lost as a result of parking prohibitions required on Dufferin Street during the CNE.

## **DECISION HISTORY**

---

Annually, Transportation Services requests Community and City Council authority to implement a number of temporary traffic and parking regulations on various streets in the vicinity of Exhibition Place that are impacted by the CNE.

## **COMMENTS**

---

Having regard for the high volume of vehicular and pedestrian traffic generated during the CNE, the temporary traffic and parking regulations as shown in Attachment 1 will help maintain efficient traffic conditions in the general area of the CNE while recognizing the impacts on local residents. A map of the affected streets is included in Attachment 2. The temporary traffic and parking amendments include:

- One-way westbound operation on Springhurst Avenue, between Dufferin Street and Jameson Avenue
- No standing at anytime on Dufferin Street, west side, between Springhurst Avenue and Thorburn Avenue
- No standing at anytime on Springhurst Avenue, south side, between Dunn Avenue and Dufferin Street
- Prohibited westbound left-turns from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday at Springhurst Avenue and Jameson Avenue
- No parking at anytime on Dufferin Street, east side, between a point 15 metres north of Springhurst Avenue and Queen Street West
- No parking at anytime on Dufferin Street, west side, between King Street West and Queen Street West
- Taxi stand on Dufferin Street, west side, between Thorburn Avenue and a point 29 metres south of King Street West
- 24-hour permit parking on Springhurst Avenue, even side (north), between Jameson Avenue and Dufferin Street

The streets listed in Attachment 1 do have regular TTC routes. It is noted that a companion report is also submitted relating to temporary parking adjustments for the 2023 CNE for streets not served by transit routes. Approval of those adjustments is delegated to Community Council.

The Ward Councillors have been advised of the recommendations in this report.
