PROPOSAL

The application proposes to demolish the interior of the buildings at 510-528 Yonge Street and the entire building at 7 Breadalbane Street, which collectively contain 19 rental dwelling units, and redevelop the lands with a 59-storey residential building comprised of 587 dwelling units, including 19 replacement rental units. The façades of the buildings at 510-528 Yonge Street are proposed to be retained and incorporated into the development. The proposal includes a tenant relocation and assistance plan that would provide impacted tenants with the right to return to a replacement rental unit in the new building and financial compensation to mitigate hardship from having to relocate as the new building is being constructed.

A Rental Housing Demolition and Conversion application (20 207360 STE 13 RH) under Section 111 of the *City of Toronto Act, 2006* (Chapter 667 of the Municipal Code) has been submitted to permit the demolition. Under the *City of Toronto Act, 2006*, the demolition of a rental property with six or more dwelling units is prohibited without obtaining a permit from the City. Decisions by City Council on the rental housing demolition application are not subject to appeal to the Ontario Land Tribunal (OLT).

Detailed information regarding the demolition proposal, including background information and materials, may be obtained by contacting Keir Matthews-Hunter, Planner, Strategic Initiatives, Policy and Analysis (Housing) at 416-392-5092, Keir.Matthews-Hunter@toronto.ca.
