June 21st, 2023

Dear Chair and Members,

Re: All-Way Stop Control - Norwood Terrace and Enderby Road

BACKGROUND:

Residents have reached out to my office with concerns about pedestrian safety on their roadway. Our office has received a petition from residents with support for the installation of all-way stop controls at the above mentioned intersection.

I am requesting that all-way stop controls be installed at Norwood Terrace and Enderby Road.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorized all-way compulsory stop control at the intersection of Norwood Terrace and Enderby Road.

Respectfully,

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
