Dear Chair and Members,

Re: Permit Parking Amendments on Campbell Avenue

My office received a petition from residents of Campbell Avenue requesting changes to the permit parking hours on Campbell Avenue between Dupont Street and Antler Street, including a rush hour parking prohibition from 4:00 p.m. to 6:00 p.m. While there was support in favour of this initiative, there is a highly utilized employment building on Campbell Avenue and a concern was raised about customer parking during these hours.

As a result, I am recommending that the permit parking hours be implemented on a section of the block instead of the full block. These changes will balance the loading and parking needs of the local businesses in the area, and residents are supportive of this compromise in the changes.

Recommendations:

1. Toronto and East York Community Council rescind the existing permit parking regulation in effect from 12:01 a.m. to 7:00 a.m., daily, on the even (west) side of Campbell Avenue, from Antler Street to Dupont Street.
2. Toronto and East York Community Council authorize permit parking to be in effect from 12:01 a.m. to 7:00 a.m. and from 4:00 p.m. to 6:00 p.m. daily, on the (even) west side of Campbell Avenue, from Antler Street to a point 95 metres north.
3. Toronto and East York Community Council authorize permit parking to be in effect from 12:01 a.m. to 7:00 a.m. daily, on the even (west) side of Campbell Avenue, from a point 95 metres north of Antler Street to Dupont Street.
4. Toronto and East York Community Council amend the existing maximum 1-hour parking regulation in effect from 9:00 a.m. to 6:00 p.m., Monday to Friday, on the west side of Campbell Avenue, between Antler Street and a point 51 metres south of Dupont Street, to be in effect between a point 51 metres south of Dupont Street and a point 54 metres further south.
5. Toronto and East York Community Council authorize parking for a maximum period of 1-hour from 9:00 a.m. to 4:00 p.m., Monday to Friday, on the west side of Campbell Avenue, between Antler Street and a point 95 metres north.

Sincerely,
