Speed Bumps Installation – Lanes North of Danforth Avenue, East of Carlaw Avenue and West of Gough Avenue

Dear Councillor Perks and Toronto and East York Community Council,

The east-west laneway that runs between Gough Avenue and Carlaw Avenue is located just north of Danforth Avenue. It is directly adjacent to a local church and is situated in a residential neighbourhood. I recently held a site visit with local community members who expressed concerns over speeding in this laneway. This letter includes recommendations to install speed bumps in the laneway to improve pedestrian and vehicular safety.

Recommendations:

1. Toronto and East York Community Council authorize the installation of speed bumps in the Lane North of Danforth Avenue, East of Carlaw Avenue (east-west leg), between Carlaw Avenue and Lane North of Danforth Avenue, West of Gough Avenue, as shown on Drawing No. TC-147, dated June 2023, from the Director, Traffic Management, Transportation Services.
2. Toronto and East York Community Council authorize the installation of speed bumps in the Lane North of Danforth Avenue, West of Gough Avenue, as shown on Drawing No. TC-147, dated June 2023, from the Director, Traffic Management, Transportation Services.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
