Re: AMENDMENT Speed Humps Installation--- Oak Park Ave, between Danforth Avenue and Lumsden Avenue

BACKGROUND:

Our office received communications from a resident with concerns about the placement of a speed hump directly in front of his home, effectively impacting access to his driveway. I request adjusting the placement as per drawing TC-149.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Oak Park Avenue between Danforth Avenue and Lumsden Avenue
2. Toronto and East York Community Council replace Drawing No. 421G-4034 dated May 2022, attached to the letter (May 26, 2022), in Item TE33.69 entitled "Speed Humps Installation - Oak Park Avenue between Danforth Avenue and Lumsden Avenue" from Councillor Brad Bradford, Ward 19, Beaches - East York, with the attached Drawing No. TC-149, dated June 2023 from the Director, Traffic Management, Transportation Services.
3. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter sections of the roadway to install ten speed humps on Oak Park Avenue between Danforth Avenue and Lumsden Avenue for traffic calming purposes, generally as shown on Drawing No. 421G-4033, dated May 2022 and TC-149, dated June 2023, from the Director, Traffic Management, Transportation Services.

Respectfully,

Brad Bradford
