Re: 461 King Street West - CaféTO Curb Lane Café

Dear Colleagues,

The restaurant located at 461 King Street West, operating as Silent H, has applied for a permanent CaféTO curb lane café permit. Following a feasibility assessment it was determined that the proposed curb lane café area would not be eligible due to the permit area being located within a Commercial Loading Zone, which is not permitted in City of Toronto Municipal Code Chapter 742, Sidewalk Cafés, Parklets and Marketing Displays.

This commercial loading zone was implemented as part of the King Street West Transit Pilot [Agenda Item History - 2017.EX26.1 \(toronto.ca\)](#). This motion seeks to remove the Commercial Loading Zone in order to provide a café permit for this restaurant operator.

RECOMMENDATIONS:

Toronto and East York Community Council recommend that:

1. City Council rescind the existing commercial loading zone in effect at all times, on the south side of King Street West, between a point 96.2 metres west of Spadina Avenue and a point 16.4 metres further west.
2. City Council rescind the existing stopping prohibition in effect at all times, on the south side of King Street West, between a point 56.4 metres west of Spadina Avenue and a point 39.8 metres further west.
3. City Council prohibit stopping in effect at all times, on the south side of King Street West, between a point 56.4 metres west of Spadina Avenue and a point 112.6 metres further west.
