**Date:** August 25, 2023  
**To:** Toronto and East York Community Council  
**From:** Director, Permits and Enforcement, Transportation Services  
**Wards:** Ward 11 - University - Rosedale

### **SUMMARY**

---

As the Toronto Transit Commission (TTC) operates a transit service on St. George Street, City Council approval of this report is required.

The purpose of this report is to respond to City Council's direction to review and report back on the realignment of Permit Parking Area 5D to exclude the development located at 145 St. George Street.

Staff have determined the realignment of the Permit Parking Area 5D is feasible and has no objections to excluding the development located at 145 St. George Street. If City Council excludes this address from the subject Permit Parking Area, residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

### **RECOMMENDATIONS**

---

The Director, Permits and Enforcement, Transportation Services recommends that:

1. City Council approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of Permit Parking Area "5D", as shown in Attachment 1 of the report dated August 25, 2023 from the Director, Permits and Enforcement, Transportation Services, excluding the development currently located at 145 St. George Street.

## **COMMENTS**

---

Transportation Services received a request from City Council, TE6.9 to realign Permit Parking Area 5D, to exclude the development located at 145 St. George Street.

Permit Parking Area 5D is bounded by Bathurst Street to the west, St. George Street to the east, Bloor Street West to the south and Dupont Street to the north. Area 5D has 814 on-street parking spaces. To date 781 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces.

A map of Permit Parking Area 5D is included in Attachment 1.

The exclusion of the development located at 145 St. George Street is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents, guests, tradespeople and caregivers of this development would negatively impact on the already limited parking supply in the neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 145 St. George Street from permit parking in Permit Parking Area 5D forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

The exclusion of this address from the subject Permit Parking Area, will mean residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

Transportation Services has no objections to the exclusion of 145 St. George Street from Permit Parking Area 5D.

The Ward Councillor has been advised of the recommendation in this report.
