To: Toronto and East York Community Council
From: Director, Permits and Enforcement, Transportation Services
Wards: Ward 13 - Toronto Centre

SUMMARY

As the Toronto Transit Commission (TTC) operates a transit service on Sherbourne Street, City Council approval of this report is required.

The purpose of this report is to respond to City Council's direction to review and report back on the realignment of Permit Parking Area 6G to exclude the development located at 294-300 Sherbourne Street.

Staff have determined the realignment of the Permit Parking Area 6G is feasible and has no objections to excluding the development located at 294-300 Sherbourne Street. If City Council excludes this address from the subject Permit Parking Area, residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

COMMENTS

Transportation Services received a request from City Council, CC8.13 to realign Permit Parking Area 6G, to exclude the development located at 294-300 Sherbourne Street.

Permit Parking Area 6G is bounded by Mutual Street and Jarvis Street to the west, Sherbourne Street to the east, Shuter Street to the south and Gerrard Street East to the north. Area 6G has 102 on-street parking spaces. To date 81 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces.

A map of Permit Parking Area 6G is included in Attachment 1.

The exclusion of the development located at 294-300 Sherbourne Street is a means to ensure that current permit holders have sufficient parking space. The issuance of parking permits to residents, guests, tradespeople and caregivers of this development would negatively impact on the already limited parking supply in the neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 294-300 Sherbourne Street from permit parking in Permit Parking Area 6G forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting.

The exclusion of this address from the subject Permit Parking Area, will mean residents and visitors of this address will be prohibited from participating in the on-street permit parking program.

Transportation Services has no objections to the exclusion of 294-300 Sherbourne Street from Permit Parking Area 6G.

The Ward Councillor has been advised of the recommendation in this report.
