Re-Open Item TE6.37 - 93 Humbercrest Boulevard - Request for Fence Exemption

Summary

At its June 22 and 23, 2023 meeting, the Toronto and East York Community Council adopted the full set of staff recommendations for Item TE6.37. However, the staff recommendations were a choice between an Option 1 or an Option 2. It is therefore necessary for the Toronto and East York Community Council to re-open the Item in order to clarify its decision.

Recommendations

It is recommended that:

1. Toronto and East York Community Council re-open Item TE6.37 entitled "93 Humbercrest Boulevard - Request for Fence Exemption."
2. Toronto and East York Community Council delete its decision on Item TE6.37 and adopt Option 2 in the report (May 5, 2023) from the District Manager, Municipal Licensing and Standards, Toronto and East York District as follows:
 2. Grant the application for the existing front yard fence, without conditions. Direct and require that the installation be maintained in good repair without alteration. Direct and require that at such time as replacement of the fence is required that such installation will comply with Municipal Code Chapter 447, or its successor by-law.
