Dear Chair and Members,

Re: Traffic Calming – Denvale Road, between St. Clair Avenue East and Northdale Boulevard

BACKGROUND:

Residents have reached out to my office with concerns about road safety and speeding along Denvale Road, between St Clair Avenue East and Northdale Boulevard. My office polled local residents and the majority were in favour. In order to make the community safer for all, I recommend installing speed humps on this street.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Denvale Road, between St. Clair Avenue East and Northdale Boulevard.
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install six speed humps on Denvale Road, between St. Clair Avenue East and Northdale Boulevard, generally as shown on the attached Drawing Nos. TC-156 and TC-157, dated September 2023 from the Director, Traffic Management, Transportation Services.

Respectfully,

Brad Bradford
