Dear Chair and Members,

Re: All-Way Stop Control – Oak Park Avenue and Everett Crescent

BACKGROUND:

Residents have indicated that there have been issues between drivers and pedestrians in identifying right of way at this intersection and have requested an all way stop control in order to rectify this problem. Therefore, I request the installation of all-way stop control at the intersection of Oak Park Ave and Everett Crescent.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize all-way compulsory stop control at the intersection of Oak Park Avenue and Everett Crescent.

Respectfully,

Brad Bradford

Toronto City Councillor
Beaches-East York | Ward 19
