City Councillor | Ward 14 Toronto-Danforth

September 15, 2023

Councillor Chris Moise
Chair, Toronto and East York Community Council
Toronto City Hall

Mortimer Avenue Traffic Safety – Pape to Broadview

Mortimer Avenue between Pape Avenue and Broadview Avenue is heavily trafficked east-west residential road used by many commuters and locals alike to travel through East York. It also serves as a main connection to Pottery Road and the DVP.

I have heard from many local residents concerned about traffic safety along this section of Mortimer, noting that vehicles frequently exceed the speed limit. Additionally, there have been at least two reported serious pedestrian injuries along this section of Mortimer Avenue as well as recent tragic pet hit and runs. I am writing today to request a comprehensive traffic safety study to make this street safer for pedestrians, cyclists and other vulnerable road users.

Recommendation:

1. Toronto and East York Community Council request Transportation Service to review the list of traffic safety suggestions from local residents on Mortimer Avenue outlined in Attachment 1 and report back to Toronto and East York Community in Q1 of 2024 with recommendations to improve traffic and pedestrian safety on Mortimer Avenue, between Broadview Avenue and Pape Avenue.

Sincerely,

Paula Fletcher
City Councillor
Ward 14, Toronto-Danforth
