Mortimer Avenue Speed limit Reduction

Mortimer Avenue between Pape Avenue and Broadview Avenue is heavily trafficked east-west residential road used by many commuters and locals alike to travel through East York. It also serves as a main connection to Pottery Road and the DVP.

I have heard from many local residents concerned about traffic safety along this section of Mortimer, noting that vehicles frequently exceed the speed limit. This letter includes a recommendation to reduce the speed limit along Mortimer Avenue in order to improve safety along the street.

Recommendation:

1. Toronto and East York Community Council request that Transportation Services consult with the Toronto Transit Commission (TTC) to determine if a speed limit reduction from 40 km/h to 30 km/h on Mortimer Avenue, between Broadview Avenue and Coxwell Avenue is feasible for their bus operations, and report back to the October 18, 2023 meeting of Toronto and East York Community Council.

Sincerely,

Paula Fletcher
