A companion report "Temporary Adjustments to Traffic and Parking Regulations for 2023 Distillery Winter Village (Non-delegated)" outlines the required non-delegated temporary traffic and parking amendments for streets with Toronto Transit Commission (TTC) Service.

The temporary parking regulations will override all existing regulations for the duration of this event (November 16, 2023 to December 31, 2023).

2. Toronto and East York Community Council direct Transportation staff to communicate this temporary extension of 24 hour permit parking on the streets outlined Temporary Adjustments to Parking Regulations for 2023 Winter Village (Delegated)

in Recommendation 1 above to residents through a targeted information campaign throughout the duration of the Distillery Winter Village.

The event organizers will be responsible for the full costs associated with the Distillery Winter Village event. There are no direct budgetary implications to the City.

COMMENTS

Having regard for the high volume of vehicular and pedestrian traffic generated during the Distillery Winter Village, temporary parking regulations as shown in Attachment 2 remains the same as previous years with minor modifications to help maintain efficient

traffic conditions in the general area while recognizing the impacts on local residents. None of the streets listed in Attachment 1 have regular TTC routes.

Upon completion of the event, Transportation Services staff, in consultation with the local Councillors, the event organizers and other stakeholders will evaluate the traffic management plan. In this regard amendments to the traffic management plan may be implemented for the following year.

The local Ward Councillors have been advised of the recommendations of this staff report.
