In accordance with Municipal Code Chapter 925 a poll was conducted to determine if there is support for the installation of overnight on-street permit parking. Ballots were mailed out to all residents on the east side of Ossington Avenue between Salvador Allende Court and Marchmount Road on May 1, 2023 with the last day for filing a response being May 30, 2023.

In order for a poll to be deemed positive 50 percent plus one of returned ballots must be in favour of the request. Table 1 summarizes the level of support for the installation of overnight on-street permit parking.

As the majority of the ballots returned were in favour and the required minimum response rate was met, the poll was deemed to be positive.
