Dear Chair and Members,

**Re: Traffic Calming – Elmer Avenue, between Kingston Road and Norway Avenue
(west branch)**

BACKGROUND:

Residents have reached out to my office with concerns about road safety and speeding along Elmer Avenue, between Kingston Road and Norway Avenue. As the majority of residents are in favour of this safety initiative, I would like to recommend the installation of speed humps.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council waive the polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming (speed humps) on Elmer Avenue, between Kingston Road and Norway Avenue (west branch).
2. Toronto and East York Community Council direct the City Solicitor to prepare a by-law to alter the roadway to install three speed humps on Elmer Avenue, between Kingston Road and Norway Avenue (west branch)., generally as shown on the attached Drawing No. TC-190, dated October 2023 from the Director, Traffic Management, Transportation Services.

Respectfully,

Brad Bradford

Toronto City Councillor
