Dear Chair and Members of T&EYCC

**Re: TE3.43 Striking a Sub-committee on Metrolinx's Ontario Line
Construction**

We are writing on behalf of the West Don Lands Committee, a coalition of community-based resident, business, service, environmental and heritage organizations to express our support for creation of a subcommittee of Councillors who represent Wards through which the Ontario Line will be constructed.

Our members have already engaged extensively with Metrolinx, Infrastructure Ontario, Ward 10 and 13 Councillors and City staff on Ontario Line issues specific to the Corktown Station and the Don Yard in the West Don Lands. We are well aware of the complex impacts that will be experienced by communities as well as the opportunities afforded by timely and coordinated engagement.

While Metrolinx has committed to establishing local Construction Liaison Committees for Corktown and other stations along the line, we see an urgent need for co-ordination at the Councillor level on issues that are shared along the entire line through the proposed sub-committee.

Yours truly,
