Monday, April 10, 23
Toronto, CANADA

The Toronto and East York Community City Council
Toronto

Dear Sir/Madam,

AVENUE ROAD SAFETY

At the outset, we would like to say, that ISKCON Toronto, is appreciative of the efforts that are being taken by the Avenue Road Safety Coalition to improve pedestrian safety along Avenue Road.

The objectives of the TEYCC motion which include reduction of speed limit along Avenue Road, installation of the temporary barriers in front of the Church of Messiah, and introduction of measures to widen the sidewalks, introduction of speed management signage are very significant steps and will go a long way in improving safety along Avenue Road.

Iskcon Toronto fully supports this motion and looks forward to a safer Avenue Road.

Thanking You,

Yours sincerely

Ravi Sarma

(Ravi Sarma)

On behalf of ISKCON Toronto Management
