

FIELD TRIP PLANNER

EDUCATOR RESOURCE GUIDE TO THE TORONTO ZOO

Curriculum-based field trips for preschool, elementary, & secondary students.

EXPLORING NATURE'S CLASSROOM AT THE TORONTO ZOO

BENEFITS OF A TRIP TO THE ZOO

- Making real-world connections through observation, inquiry, & critical thinking.
- Coming face-to-face with over 5,000 animals.
- Ignites a sense of wonder and curiosity.
- Connecting with nature, getting active, and exploring 10 km of walking trails.
- Inspires students to take action and protect wildlife.

TORONTO ZOO FIELD TRIPS - AT A GLANCE

SELF-GUIDED VISIT

Enjoy the flexibility of exploring the Zoo on your own, while discovering the amazing wildlife that call the Zoo home.

EDVENTURES

Join our knowledgeable Zoo educators for a 75 minute, curriculum linked, STEM learning experience. Programs begin either onsite with a Zoo tour or in a classroom setting. During a 30 minute interactive presentation, students participate in small group activities, designed to enhance and extend their learning. After touring through one of our pavilions and engaging with our staff, students will demonstrate an increased awareness and appreciation of wildlife and nature, and understand what steps they can take to help protect it.

INTERACTIVE PRESENTATIONS

Choose from one of our 45 minute interactive style, curriculum linked presentations to engage and enhance your students' learning experience at the Zoo.

VIRTUAL WORKSHOPS

Delivered by Toronto Zoo educators, school programs are a unique and exciting way to bring the curriculum to life. Virtual Visits range from a 10 - minute animal Meet & Greet to a 30 - minute Guided Visit with bonus resources!

SCHOOL GROUP ADMISSION RATES STUDENTS & SUPERVISORS*

Licensed Child Care Centres**	\$9
Elementary (K 8)	\$9
Secondary (9 12)	\$10
Post secondary	\$11

1 teacher per class receives **FREE** admission.

Kindergarten: 1 teacher + 1 ECE per class receive **FREE** admission.

Zoo Memberships are honoured for student & supervisor admission. Proof of membership required.

BOOK YOUR FIELD TRIP TODAY

Please book at least two weeks in advance.

The Zoo is open year-round! Self-guided visits can be booked on any day. School programs (September to June) fill up quickly, so don't miss out - book early!

Information required at time of booking:

- Date of visit
- Contact teacher's name, email, & cell number
- School name, address
- Estimated time of arrival
- Number of participants, both students & supervisors
- School program or guided tour choice (if applicable)

DISCOVER THE ZOO

Students will be amazed by the diversity of wildlife as they explore:

- African Rainforest
- Australasia
- Indo-Malaya
- African Savanna
- Canadian Domain
- Kids Zoo
- Americas
- Eurasia Wilds
- Tundra Trek

CURRICULUM-LINKED RESOURCES

FREE to download

Self-guided tours, lesson ideas, activity guides, assignments, and more are available for elementary and secondary students from torontozoo.com.

ACCESSIBILITY

The Zoo has many features to make it accessible for all students, including complimentary admission for support persons providing one-on-one support for health and/or safety reasons. School programs and guided tours can also be modified to meet the varying abilities of students. For more information, visit torontozoo.com/explorethezoo/accessibility.

LUNCH

Picnic tables are available throughout the Zoo and students can bring litterless lunches or purchase food at a restaurant. To arrange a pizza or boxed lunch, please contact Compass Foods at **416-392-6003** prior to visit.

*50% off picnic site rentals during the school year for school groups. Contact groupevents@torontozoo.ca for more information.

PROGRAMS

NEW STEM SCHOOL PROGRAMS!

EDVENTURES 75 min

Cost: \$125/program* + admission
(*Max. 30 students/program)

Times: 10:00 11:15 am or 12:15 1:30 pm

Pre booking is required.

Join our knowledgeable Zoo educators for a 75 minute, curriculum linked, STEM learning experience. Programs begin either onsite with a Zoo tour or in a classroom setting. During a 30 minute interactive presentation, students participate in small group activities, designed to enhance and extend their learning. After touring through one of our pavilions and engaging with our staff, students will demonstrate an increased awareness and appreciation of wildlife and nature, and understand what steps they can take to help protect it.

Visit torontozoo.com/tz/elementary-edventures for full descriptions.

ELEMENTARY

- Grade 1 • Needs, Senses, & Characteristics of Living Things
- Grade 2 • Classification and Adaptations of Living Things
- Grade 3 • Plant & Animal Interactions
- Grade 4 • Habitats, Communities, & Human Influences
- Grade 5 • Animal Digestion, Health, & Well being
- Grade 6 • Biodiversity & Human Impacts

ZOO SCHOOL

Students can earn their grade 11 biology credit (SBI3U) in the summer at the Toronto Zoo!

This unique experience incorporates behind the scenes tours, close animal encounters, career discussions with Zoo staff, interactive classroom discussions, and memorable projects.

SELF-GUIDED TOUR SCRIPTS AND WORKSHEETS

Free to download from website

Download a curriculum based, self guided tour script & worksheet, to support and enhance your students' learning.

INTERACTIVE PRESENTATIONS 45 min

Cost: \$150/program* + admission
(*Max. 60 students/program)

Times: 10:00 am, 11:15 am, 12:30 pm, Monday to Friday

Pre booking is required.

Primary Tiger Presentation (Grades K 3)

Learn all about tiger basics in one of the Grrreatest programs at the Zoo! Students will love getting involved when it comes to learning about how much they weigh, what physical characteristics tigers have, and recalling what "creature features" or adaptations tigers have by "drawing" on the information they have just learned! To top it all off, students will be able to take home their unique tiger striped drawings to share with their families!

Junior Tiger Presentation (Grades 4 7)

Did you know that not all tigers live in tropical environments? Settle in, as we learn all about their habitats, the different sub species, and one in particular, the Amur tiger. Together with Zoo staff, students will discover some of the unique adaptations necessary in order to survive as a top predator, as well as the reasons behind their populations declining in the wild. Students will leave with the knowledge of what personal actions they can take to help protect this species.

Exploring Wildlife Conservation Presentation (Grades 8 12)

Have you ever wondered what it takes to run a conservation based zoological facility? This presentation allows students to discover the critical role that the Toronto Zoo plays in ensuring the ongoing survival of many of the world's most vulnerable species and their habitats. While learning about several of the Toronto Zoo's conservation projects, students will develop a deeper understanding of the science behind managing endangered wildlife populations through reproductive programs and the Species Survival Plan.

EXTEND LEARNING AT THE ZOO

ADOPT-AN-ANIMAL

By adopting an animal, your class can contribute towards its care and on going conservation efforts. Adoption packages include certificate, animal fact sheet, and informative newsletter. Packages begin at \$25.

To find out how your students can become Zoo "parents," call 416-392-9114 or visit wildlifeconservancy.ca/Adopt

ADOPT-A-POND WETLAND CONSERVATION GRADES 1 - 12

Our mission is to conserve wetlands and wetland wildlife through research, education, and stewardship. Utilizing our resources, your classroom can get involved with creating, restoring, and protecting wetland biodiversity.

Curriculum-linked resources are available online for the following topics:

- Eastern Massasauga rattlesnakes
- Turtles
- Wetlands

Order posters, species identification guides, and Ontario Turtle Tally, FrogWatch Ontario, & Turtle Island Conservation brochures by emailing aap@torontozoo.ca.

GREAT LAKES PROGRAM - GRADES 1 - 12

Visit torontozoo.com/tz/greatlakes for more information and free educational resources.

Curriculum-linked & virtual presentations delivered across Ontario!

- Grade 1 & 2 • Discover our local fish species.
- Grade 4 • Explore the role of fish in the Great Lakes ecosystem.
- Grade 6 • Investigate the impact of humans on biodiversity in the Great Lakes.
- Grade 7 • Explore the importance of natural water resources and maintaining healthy aquatic ecosystems.
- Grade 11 • Examine the diversity of living things and water quality in urban settings.

A great way to engage your students in local conservation efforts!

Grade 8 Great Lakes Teaching and Learning Resource

Inquiry-based learning resource comes complete with student workbook, online component, project ideas, and teacher guide.

Water Resources

Lesson Plans: Bilingual plans available for grades 1, 2, 7, 8, & 11

Resources available in: English, French, Mandarin, Panjabi (Punjabi), & Urdu.

Please contact greatlakes@torontozoo.ca or call 416-392-6022 for more information.

BLUE SCHOOLS PROGRAM – GRADES 1 – 12

Cross-curricular and action-oriented school certification program.

After completing an in-school water audit, students take the lead and decide how to reduce or improve water consumption in the school. With support from Toronto Zoo staff, students develop and implement an action plan to support water conservation; some action examples include shoreline clean-ups, awareness campaigns, installing water-saving hardware, and rain gardens.

Please contact greatlakes@torontozoo.ca or visit: torontozoo.com/conservation/blueschools/ for more information

AQUA-LINKS OUTREACH PROGRAM – GRADE 7

BILINGUAL AND CURRICULUM-LINKED!

Students gain hands-on experience raising native Atlantic salmon in their classrooms and are connected to students and biologists in East Africa to discuss local water issues. All necessary equipment is provided. Limited spaces available.

Please contact aqualinks@torontozoo.ca or call 416-392-6022 for more information.

RESOURCES

EXTINCT IS FOREVER

FIGHTING EXTINCTION - WHY WE ARE HERE

The Toronto Zoo is here because the work we do behind-the-scenes is vital to the survival of wildlife. Visit torontozoo.com to watch the *Fighting Extinction - Why We Are Here* video and learn more about the important conservation work the Toronto Zoo is involved in. Use this video in your classroom to start a discussion about wildlife conservation and how students can get involved to help protect the environment.

How loud is a lion's roar? How does a snake slither? Which species are the biggest, fastest, and strongest? How does the Toronto Zoo design exhibits to meet the needs of different species? How is the Toronto Zoo helping to protect wildlife and their habitat? Find out at the Toronto Zoo!

FREE CURRICULUM-LINKED RESOURCES AVAILABLE

- Self-guided Tour Scripts (elementary & secondary)
- Educator Resource & Activity Packages (grade/theme specific)
- Adopt-a-Pond Wetland Conservation Resources, Posters, & Species Identification Guides
- Great Lakes - Inquiry-based Resource & Lesson Plans
- Turtle Island Conservation Resource Package (First Nations)
- All about the Toronto Zoo - Careers, Conservation, Diets, Enrichment, Animal Welfare, & more!
- Animal Fact Sheets & Zoo Baby Updates
- Videos

Or create your own open-ended, inquiry-based resources to suit the needs of your students!

YOUR SUPPORT MATTERS

As a not-for-profit organization, the revenues from all Zoo visits, including school field trips, directly support conservation efforts to help save vulnerable wildlife. The ongoing support of educators helps to ensure that these critical conservation efforts can continue and connects future generations to nature and the environment.

Together we can make a difference!

Curiosity • Discovery • Inquiry
