COMMENTS

Our Toronto Zoo is committed to providing a safe environment for all staff. Our Occupational Health & Safety programs, management systems, policies and safety initiatives are designed to prevent physical and psychological harm and promote safe work practices and employee well-being.

The Health & Safety Services Branch continues to evaluate and evolve our Zoo's health and safety programs and management systems so that we not only continue to comply with but where reasonable, exceed all applicable occupational health and safety legislation. We are committed to continuously improving on and working towards a positive health and safety culture.

Attached is the Health & Safety Status report, January to June 2023. During this period there were a total of 48 employee accidents, which compares to 59 during the same period in 2022.
