REASON FOR CONFIDENTIAL INFORMATION

This report is about litigation or potential litigation that affects the City or one of its agencies or corporations. This report contains advice or communications that are subject to solicitor-client privilege.

SUMMARY

On October 27, 2020, a series of development applications were submitted to the City to permit the redevelopment of the lands for 6,600 new dwelling units in up to 17 new high-rise mixed use apartment towers ranging in height from 14 to 48-storeys on stand-alone or shared podiums. On September 21, 2022 the applicant appealed all of the applications to the Ontario Land Tribunal (OLT). A Case Management Conference (CMC) was held on February 16, 2023, and Metrolinx and a neighbouring property owner obtained added party status. At two subsequent CMCs another neighbouring property owner received added party status, and an 18-day hearing was scheduled at the OLT commencing on March 5, 2024.

Further direction from City Council is required on this matter. For reasons set out in Confidential Attachment 1, consideration of this item is urgent and cannot be deferred.
