

Council Member Appointments to the Toronto and Region Conservation Authority

Date: November 5, 2024

To: City Council

From: Mayor Olivia Chow

RECOMMENDATIONS

The Mayor recommends that:

1. City Council consider Members' preferences and recommend the appointment of Council Members to the Toronto and Region Conservation Authority for a term starting on January 1, 2025, and ending November 14, 2026, and until successors are appointed.

SUMMARY AND COMMENTS

The purpose of this report is to appoint Council Members to the Toronto and Region Conservation Authority (TRCA) for the balance of the Council term.

The TRCA has requested to receive City Council's 2025-26 appointments to the board in November so that the Authority has time to onboard new members and prepare them for the January Annual General Meeting and subsequent appointments to its Executive Committee. To meet this request, I'm recommending the TRCA appointments be made now instead of with Council's consideration of mid-term Council Member appointments to Committees, Boards, and External Bodies at its December 17, 18, and 19, 2024 meeting.

I've asked the City Clerk to canvass Members for their interest in serving on the TRCA board, and to provide the results of the canvass for Council's consideration at this meeting.
