RE: 135 Roxborough Drive

Architectural Conservancy Ontario (ACO) is the largest heritage advocacy organization in Ontario with 15 branches across the province. Our objective is to promote the identification, conservation and reuse of buildings, structures, districts, and landscapes of cultural heritage significance.

ACO agrees with the recommendations of the Toronto Preservation Board and the local Ward Councillor that the City Council refuse the application because it does not comply with the North Rosedale's Heritage Plan, the Parks Canada Standards and Guidelines of the Conservation of Historic Places or the Official Plan. City Council adopted these policies and legislation to protect local heritage.

ACO strongly recommends City Council refuse the application in recognition of the policies and legislation put in place to protect the North Rosedale Heritage Conservation District.

Sincerely,
