CC19.9 - 309 Cherry Street - Ontario Land Tribunal Hearing - Request for Directions

TE14.17 - 309 Cherry Street - Alterations to Heritage Attributes on a Designated Heritage Property Under Part IV, Section 33 of the Ontario Heritage Act and Authority to Enter into a Heritage Easement Agreement

Dear Mayor Chow and Members of Council:

PortsToronto urges Toronto City Council to continue to oppose the current blocking configuration of the 309 Cherry Street development at the Ontario Lands Tribunal and throughout the various application processes related to project.

In our current analysis of this project, PortsToronto remains concerned and opposed to the blocking plan proposed by the applicant, as the towers in their proposed project will have a negative impact to operations of Billy Bishop Toronto City Airport.

Thank you for your thoughtful consideration.

Sincerely,
