**Re. 2024.NY18.13 - 1800 Sheppard Avenue East - Official Plan Amendment -
Decision Report - Approval**

November 13, 2024

Dear Members of the Toronto City Council:

Build a Better Fairview is a group of residents, community and service organizations dedicated to the responsible, equitable and sustainable development of the Fairview area.

Further to our previous communications on NY18.13, we would like to reiterate our desire for the establishment of a local working group related to the mall redevelopment. We are grateful for Councillor Shelley Carroll's expression of support for such a group at the October 29th North York Community Council meeting.

We hope that this working group will involve local residents and organizations like the Fairview Interagency Network, BABF and Justice Makers, and provide the community with opportunities to give meaningful input in the next phases of the development process. We would like to meet quarterly with City staff and the Cadillac Fairview team, and ask that both parties engage with the community ahead of important submissions.

We look forward to continuing to work with all stakeholders, to realize an equitable and sustainable future for neighbourhoods around Fairview Mall.

Thank you,

Sincerely,

Build A Better Fairview
