COMMENTS

The Department of Canadian Heritage's Canadian Arts Presentation Fund (CAPF) provides financial assistance to professional arts presenters to offer activities (performances and audience development initiatives) that connect artists with Canadians in their communities.

Miziwe Biik receives funding from Human Resources Development Canada through the Aboriginal Labour Force Development Circle. Its purpose is to deliver training programs to the Aboriginal community in the Greater Toronto Area. The objective of this program is to encourage employers to provide on the job training that will lead to employment.

Both grant applications require a Board resolution authorizing the submission of a request for funding and designating the President and CEO with signing authority. The Board has passed motions to this effect on a regular basis.
