COMMENTS

This report includes updates from the Office of the Chief Information Security Officer, Enterprise Cyber Risk Management Group, and our latest cybersecurity focus areas.

At its meeting on May 22, 2024, City Council extended the mandate of the Office of the CISO, see [EX14.3, Extending the Mandate of the CISO](#). The adopted motion outlines that TO Live continue and extend its partnership with the City regarding cybersecurity governance, risk assessments, risk management, remediation plans, as well as to adopt and establish cybersecurity frameworks and standards inline with City standards ensuring a constantly maturing cybersecurity posture amongst all Agencies, Boards, Corporations, and Divisions (ABCDs).
