Hello,

Please find attached a letter to explain my accidental over-contribution of \$26 to Shaker Jamal's campaign for City Council.

Please confirm that this letter will be sufficient to make a judgement regarding my over-contribution for the Compliance Audit Committee as I am not able to attend the meeting on February 28.

Thank you,
Hasina

To Members of the Compliance Audit Committee:

My name is Hasina Jamal and I contributed to Shaker Jamal's campaign for City Councillor in Ward 9 – Davenport in the municipal election of 2022. I understand findings by an external auditor determined that my contribution exceeded the limits under Section 88.9 of the Municipal Elections Act.

I am submitting for the committee's consideration that this overspending was accidental and not wilful contravention on my part. I made a small contribution of \$26 on May 23, 2022 to help the candidate test the donation application on his website. I then made what I thought was my eligible maximum contribution on September 26, 2022, having forgotten about my smaller contribution used to test the website.

I apologize for exceeding the contribution limit, and hope the committee in its wisdom can see this was an error and not a wilful contravention of the contribution limits.

Sincerely,

A black rectangular box redacting the signature of Hasina Jamal.
