Dear Mr. Novogrodsky,

I am writing to clarify that there has been no over-contribution to the mayoral by-election campaign. Our household consists of two contributors: myself, Chris Galifi, and my spouse, Cristina Galifi. We are separate individuals, each contributing the maximum allowable amount as per the campaign finance regulations.

To ensure accuracy, please update your records to reflect that we are two distinct contributors residing in the same household. This can be further supported by voter registration or any other relevant identification records. If any additional information is required to verify this, I am happy to provide it.

Thank you for your attention to this matter.

Sincerely,

Chris Galifi
