## RE: EC12.1: A Framework to Advance Inclusive Economic Development in Toronto

Dear Members of Economic and Community Development Committee,

The Framework to Advance Inclusive Economic Development in Toronto is a critical initiative that involves collaboration with many different City divisions, and will impact key operational procedures and projects for our city going forward. With this in mind, I am recommending additional time for staff to finalize this report and recommendations in advance of Committee consideration.

### RECOMMENDATIONS:

1. That the Economic and Community Development Committee defer item EC12.1: A Framework to Advance Inclusive Economic Development in Toronto.

Sincerely,

Alejandra Bravo  
City Councillor  
Ward 9, Davenport  
Chair, Economic and Community Development Committee
