Re: Parking Solution – Ontario Place/Exhibition Place Foundational Principles

Members of the Board,

In December 2023, City Council approved in principle the terms of the Ontario-Toronto New Deal Working Group Term Sheet.

Among the terms was the Province agreeing to change its current planned location for parking at the Ontario Place site and work with the City to establish an alternative parking solution at Exhibition Place that will improve public access to the shoreline and could reduce the overall area needed for parking.

Discussions on the review of any parking options at Exhibition Place must be informed by Board of Governors' direction for a solution that benefits Exhibition Place and the community.

I have requested that the CEO develop a set of Foundational Principles to guide these discussions and ask for your support to add this report to our agenda.

Sincerely,

Ausma Malik
Chair, Board of Governors of Exhibition Place
Deputy Mayor
City Councillor, Ward 10, Spadina-Fort York
