

**East Harbour Transit Oriented Community Proposal**

**Amendments to City of Toronto Municipal Code Chapter 27, Council Procedures**

Toronto City Council will be considering recommendations to pass a by-law to amend City of Toronto Municipal Code Chapter 27, Council Procedures, to authorize the Executive Committee to hold any statutory hearing under the Planning Act for the subdivision application for East Harbour.

It is proposed that the by-law be adopted at the City Council meeting to be held on May 22, 23 and 24, 2024 or at a subsequent meeting.

The letter from Mayor Chow to the Executive Committee has the following recommendations:

1. City Council direct City staff to report to Executive Committee on all aspects of the East Harbour Transit Oriented Community negotiations.
2. City Council amend the City of Toronto Municipal Code Chapter 27, Council Procedures by suspending Section 27-16.5C(2) and 27-16.5D in respect of the statutory hearing required under the Planning Act for the subdivision application for East Harbour, being application number 16270078STE30SB and substituting a special rule to allow the Executive Committee to hold any statutory hearing required under the Planning Act for the subdivision application for East Harbour, being application number 16270078STE30SB, and to consider any appurtenant matters as may arise.

At its meeting to be held virtually and in person on May 14, 2024, at 9:30 a.m. or as soon as possible thereafter, the Executive Committee of Toronto City Council will hear virtually or in person, or by his or her counsel, agent or solicitor, any person who wishes to speak to the matter.
