Re: Good Roads Board of Directors Meetings Update September 26 - September 27, 2024

**Recommendation,**

City Council receives for information, the Board of Directors of the Good Roads Board of Directors Meetings Update September 26 - September 27, 2024

**Background**

As the Third Vice President and City of Toronto the Board of Directors representative, I attended the Board of Directors Meetings on September 26 and September 27, 2024. The meetings provided insights into the current state and future direction of road infrastructure and transportation. The meetings focused on:

- **Policy Updates:** The meeting offered a platform to discuss and understand the latest policy developments and initiatives related to road infrastructure. This knowledge is essential for [Your Role/Responsibilities] as it allows me to align our [Organization/Department] with the evolving regulatory landscape.
- **Industry Trends:** The Good Roads Board meeting brought together experts from various sectors, providing a unique opportunity to learn about emerging trends, technologies, and best practices in road construction, maintenance, and management. This information will help us stay ahead of the curve and adopt innovative solutions.
- **Networking Opportunities:** The event facilitated valuable networking with industry professionals, government officials, and other stakeholders. Building relationships with these individuals is crucial for [Your Organization/Department] as it can lead to collaborations, partnerships, and shared knowledge.
- **Advocacy and Engagement:** By attending the meeting, I was able to gain a deeper understanding of the challenges and opportunities facing our region's road infrastructure. This knowledge will inform our advocacy efforts and allow us to engage more effectively with decision-makers to ensure that our priorities are reflected in future plans and policies.

The Good Roads Conference is tabled for March 30 – April 2, 2025, in Toronto. [Conference - Good Roads](#)
