RE: EX16.4 Proposed Land Lease for the Somali Centre for Culture and Recreation

Dear Executive Committee,

I have submitted a motion referring this item back to City staff to ensure that local engagement on the proposal continues with residents and the Somali-Canadian community in Toronto before the item is considered by the Executive Committee and City Council.

These conversations will continue between now and the end of September 2024, and will include the Somali Centre for Culture and Recreation, in consultation with City staff and impacted Councillors.

With this referral, this item will not be considered at the July 16, 2024 Executive Committee meeting.

It will be reconsidered at the scheduled October 1, 2024 Executive Committee meeting, once the consultation program is complete.

I encourage all interested residents to get involved in the upcoming engagement opportunities, and to consider registering to depute at the October Executive Committee meeting when the item will be discussed.

Yours in community service,

Councillor Amber Morley
