Re: Parking Regulation Amendments – St Clair Avenue West

SUMMARY:

I am requesting your support to amend the parking regulation along the North side of St Clair Avenue West between Jane Street west to Florence Crescent. My office has received numerous complaints about the illegal parking of plated and unplated vehicles on the north side of St Clair Avenue West. Many of these vehicles belong to one the several automotive repair shops and used car lots. I recently met with the owners/operators advising them of the issues and requested that they operate within the City of Toronto's parking bylaws, unfortunately the issues persist.

As the Toronto Transit Commission (TTC) operates a transit service on St. Clair Avenue West, City Council approval of this motion is required.

RECOMMENDATION:

1. City Council amend the existing parking prohibition in effect from 7:00 a.m. to 9:00 a.m. and 4:00 p.m. to 6:00 p.m., Monday to Friday, except public holidays, on the north side of St. Clair Avenue West, between Scarlett Road and Runnymede Road, to be in effect between Scarlett Road to Florence Crescent and between Jane Street to Runnymede Road.
2. City Council prohibit parking at all times on the north side of St. Clair Avenue West between Florence Crescent and a point 80 metres west of Jane Street.
3. City Council prohibit stopping at all times on the north side of St. Clair Avenue West between Jane Street and a point 80 metres further west.

Sincerely,

Frances Nunziata
