Subject: [External Sender] Toronto Ribfest - Street Signage Approval

Hi Stephen:

The Rotary Club of Etobicoke is well into our planning cycle for Toronto Ribfest 2024 at Centennial Park over the Canada Day Weekend. We request your assistance and support in gaining approval from the Etobicoke York Community Council to post signage at major intersections in Etobicoke for our event in its 25th year.

Thanks in advance for your help, Stephen.

Gord
