Re: Parking Regulation Amendments – Pine Street between Church Street and Woodward Avenue

SUMMARY:

I am requesting your support to amend the parking regulation along the east side of Pine Street between Church Street and Woodward Avenue. My office has received numerous complaints regarding illegal parking on the east side of Pine Street, vehicles exceeding the 3hr limit and parking too close to the intersection causing visibility and safety issues. Despite multiple parking enforcement efforts, my office continues to receive resident complaints about illegal parking.

RECOMMENDATION:

1. Etobicoke York Community Council amend the existing parking prohibition in effect at all times, on the east side of Pine Street a point 70.1 metres north of Church Street and Woodward Avenue, to be in effect between Church Street and Woodward Avenue.

Thank you for considering this request.

Sincerely,

Frances Nunziata
