**Re: Parking Regulation Amendments – Hector Avenue**

**SUMMARY:**

I am requesting your support in amending the parking regulations along the south side of Hector Avenue, from Rockcliffe Boulevard to a point 15 metres east. My office has received numerous complaints regarding illegal parking within this no-parking zone, which has led to significant safety concerns.

Vehicles parked illegally in this area obstruct visibility for those exiting Hector Avenue, limiting their view of northbound traffic and pedestrians. This creates a hazardous situation for drivers and pedestrians alike. Despite multiple efforts by parking enforcement, residents continue to report ongoing violations.

To improve safety and address these concerns, I kindly ask for your support in adjusting the parking regulations.

**RECOMMENDATION:**

1. Etobicoke York Community Council prohibit stopping at all times on the south side of Hector Avenue, between Rockcliffe Boulevard and a point 15 metres east.

Thank you for considering this request.

Sincerely,
